**PLANNING APPLICATION FORM**

***BEFORE FILLING OUT THIS FORM PLEASE NOTE THE FOLLOWING:***

**STANDARD PLANNING APPLICATION FORM AND ACCOMPANYING DOCUMENTATION**

Failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information will lead to the invalidation of your application. Therefore please ensure that each section of this application form is fully completed and signed, entering n/a (not applicable) where appropriate, and that all necessary documentation is attached to your application form.

**ADDITIONAL INFORMATION**

It should be noted that each planning authority has its own development plan, which sets out local development policies and objectives for its own area. The authority may therefore need supplementary information (i.e. other than that required in this form) in order to determine whether the application conforms to the development plan and may request this on a supplementary application form.

Failure to supply the supplementary information will not invalidate your planning application but may delay the decision-making process or lead to a refusal of permission. Therefore applicants should contact the relevant planning authority to determine what local policies and objectives would apply to the development proposed and whether additional information is required.

**OTHER STATUTORY CODES**

An applicant will not be entitled to solely by reason of a planning application to carry out the development. The applicant may need other consents, depending on the type of development. For example, all new buildings, extensions and alterations to, and certain changes of use of existing buildings must comply with building regulations, which set out basic design and construction requirements. Also any works causing the deterioration or destruction of the breeding and resting places of bats, otters, natterjack toads, Kerry slugs and certain marine animals constitute a criminal offence unless covered by a derogation licence issued by the Minister for Arts, Heritage and the Gaeltacht (pursuant to Article 16 of the Habitats Directive).

**DATA PROTECTION**

The use of the personal details of planning applicants, including for marketing purposes, may be unlawful under the Data Protection Acts 1988-2003 and may result in action by the Data Protection Commissioner against the sender, including prosecution.

**DIRECTIONS FOR COMPLETING THIS FORM**

1. Grid reference in terms of the Irish Transverse Mercator.
2. The 'applicant' means the person seeking the planning permission, not an agent acting on his or her behalf.
3. Where the plans have been drawn up by a firm/company the name of the person primarily responsible for the preparation of the drawings and plans, on behalf of that firm/company, should be given.
4. A brief description of the nature and extent of the development, including reference to the number and height of buildings, protected structures, etc.
5. Gross floor space means the area ascertained by the internal measurement of the floor space on each floor of a building; i.e. Floor areas must be measured from inside the external wall.
6. Where the existing land or structure is not in use, please state most recent authorised use of the land or structure.
7. Part V of the Planning & Development Act 2000 (as amended) applies where –
  - The land is zoned for residential use or for a mixture of residential and other uses;
  - There is an objective in the Development Plan for the area for a percentage of the land to be made available for social and/or affordable housing; and
  - The proposed development is not exempt from Part V of the Planning & Development Act 2000 (as amended).

*Form No 2 of Schedule 3 to the Planning & Development Regulations 2001 (as amended)*

8. Under Section 97 of the Planning & Development Act 2000 (as amended), applications involving development of 9 or fewer houses or development on land of less than 0.1 hectare may be exempt from Part V.
9. Under Section 96 (13) of the Planning & Development Act 2000 (as amended), Part V does not apply to certain housing developments by approved voluntary housing bodies, certain conversions, the carrying out of works to an existing house or the development of houses under an agreement made under Section 96 of the Planning & Development Act 2000 (as amended).
10. The Record of Monuments and Places, under Section 12 of the National Monuments Amendment Act 1994, is available, for each county, in the local authorities and public libraries in that county. Please note also that if the proposed development affects or is close to a national monument which, under the National Monuments Acts 1930 to 2004, is in the ownership or guardianship of the Minister for Arts, Heritage and the Gaeltacht or a local authority or is the subject of a preservation order or a temporary preservation order, a separate statutory consent is required, under the National Monuments Acts, from the Minister for the Arts, Heritage and the Gaeltacht. For information on whether national monuments are in the ownership or guardianship of the Minister for Arts, Heritage and the Gaeltacht or a local authority or are the subject of preservation orders, contact the National Monuments Section, Department of Arts, Heritage and the Gaeltacht.
11. An Environmental Impact Statement (EIS) is required to accompany a planning application for development of a class set out in Schedule 5 of the Planning & Development Regulations 2001 (as amended) which exceeds a limit, quantity or threshold set for that class of development. An EIS may also be required by the Planning Authority in respect of sub-threshold development where the authority considers that the development would be likely to have significant effects on the environment (Article 103).
12. An Appropriate Assessment of proposed development is required in cases where it cannot be excluded that the proposed development would have a significant effect on a European site. It is the responsibility of the Planning Authority to screen proposed developments to determine whether an appropriate assessment is required, the Planning Authority will normally require the applicant to submit a Natura Impact Statement (NIS). Where the applicant considers that the proposed development is likely to have a significant effect on a European site it is open to him/her to submit a NIS with the planning application.
13. The appeal must be determined or withdrawn before another similar application can be made.
14. A formal pre-planning consultation may only occur under Section 247 of the Planning & Development Act 2000 (as amended). An applicant should contact his/her Planning Authority if he/she wishes to avail of a pre-planning consultation. In the case of residential development to which Part V of the Planning & Development Act 2000 (as amended) applies, the applicants are advised to avail of the pre-planning consultation facility in order to ensure that a Part V agreement in principle can be reached in advance of the planning application being submitted.
15. The list of approved newspapers, for the purpose of giving notice of intention to make a planning application, is available from the Planning Authority to which the application will be submitted.
16. All plans, drawings and maps submitted to the Planning Authority should be in accordance with the requirements of the Planning & Development Regulations 2001 (as amended).
17. The location of the site notice(s) should be shown on site location map.
18. See Schedule 9 of Planning & Development Regulations 2001 (as amended). If a reduced fee is tendered, details of previous relevant payments and planning permissions should be given. If exemption from payment of fees is being claimed under Article 157 of the Planning & Development Regulations 2001 (as amended), evidence to prove eligibility for exemption should be submitted.
