

Double extension to traditional Irish cottage Cully, County Sligo

Mark Stephens Architects

DESCRIPTION:

This project encompasses a double extension to an already extended traditional Irish cottage.

This project really shows the *lifestyle* through *design* and *architecture* that we create for our clients.

A combination of old and new.

Contemporary and traditional.

Features include:

- Triple glazing
- Decentralised MHVR
- SIPS construction
- PV solar array
- Contractor: Padraic Benson

Blinds:

Walter Donoghue
Curtains & Blinds

SIPS: FutureTek Homes Ltd

Windows: Rationel

MHVR & Solar: Comfort Solutions
